Strachauer Park A Neighborhood Roadway Improvements

Dear Resident:

CenterPoint Energy crews are working on gas main and service upgrades throughout Stage I. Questions or concerns regarding this work should be directed to CenterPoint Energy customer service.

This week, crews installed storm water structures along Chowen Avenue. Grading continued as crews worked on Drew Avenue, West 61st Street and Chowen Curve.

Next week, crews will pick up where they left off with grading on various streets throughout phase I. Concrete work will begin Monday, weather permitting, and will continue throughout the week. Residents should pay special attention to front doors for time-sensitive notices regarding road closures and parking schedules during this process. Once the curb is in place and the concrete is cured, final grading and paving can be performed.

All schedules are weather-dependent and are subject to change.

Communications:

- Have questions or comments regarding this project? Call me at 952-826-0448 or amoe@EdinaMN.gov
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends, call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.
- Visit the project site at www.EdinaMN.gov/strachauer_park_a.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information.

The City of Edina and Palda & Sons, Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Alex Moe
Engineering Technician
